FIU-SAFE

FIU-SAFE program functions as Florida International University’s “single point of contact” for everything EH&S related. This program is firmly rooted in the belief that maintaining a safe and secure learning environment is everyone's business. Its success relies on the popular model of “See Something, Say Something.”

Everyone is encouraged to look for and report potentially dangerous or hazardous situations using any one of the FIU-SAFE portals.

1. Call: 305-FIU-SAFE (305-348-7233)
2. Email: safe@fiu.edu
3. Website: safe.fiu.edu

Mission Statement

To support and guide the University Community in protecting our people, environment and property while assuring regulatory compliance.

EH&S programs are designed to provide value-added services with a customer oriented, educational and collaborative approach for all students, faculty, staff and visitors to better live, learn, teach, work and visit a safe, environmentally friendly campus.

How do I reach the Environmental Health & Safety Office?

Modesto Maidique Campus
11200 S.W. 8th Street,
CSC 146
Miami, Florida 33199

Phone: 305-348-2621
Fax: 305-348-3574
Email: ehs@fiu.edu

Website: ehs.fiu.edu

“Making Safety a Priority!”
Environmental Health & Safety provides the support and services needed to establish and maintain a safe work environment. EH&S encourages you to use this guide to address any questions or concerns you may have.

Program Responsibility

Biological Safety – Use of Biohazardous Materials, Bloodborne Pathogens, Recombinant DNA, Select Agents & Toxins, Biohazard Evaluations, Biosafety Cabinets, Animal Care and Medical Monitoring.

Controlled Substances Safety – Registration, Purchase, Inventory, Use, Compliance, Security and Disposition of Controlled Substances.

Environmental Compliance – Storage & Dilution Tanks, Requirements for Hazardous Waste, Stormwater, Pollution Prevention, Air Emissions, Environmental Permitting & Reports and Universal Waste.

Laboratory Safety – Laboratory Safety Evaluations, Lab Hoods Use & Inspections, Lab Facility Closures, Research Protocol Reviews and Laboratory Safety Culture Resources.

Laser Safety – Registration, Purchase, Use, and Inventory of Laser Devices.

Radiation Safety – Authorization, Purchase, Inventory, Storage & Disposal of Radioactive Materials and Radiation Producing Machines.

Safety Training – Safety education and training are the means by which FIU ensures that employees have the skills and knowledge they need to do their jobs safely. EH&S provides access to classroom trainings and the “Online Anytime” training system. The “Online Anytime” program offers free online training to all FIU employees and students 24/7.
