

EXPOSURE HISTORY REQUEST FORM

Date: _____

To: _____

I am currently working at Florida International University and will be handling radioisotopes. Therefore, I request that you send a copy of my Occupational Radiation Exposure History in your files to the Radiation Safety Office at FIU so that they may have my complete radiation history, as required by the State of Florida regulations. I have listed my name, social security and department at your institution to expedite the location of my radiation history.

Thank you for your prompt attention.
