

EH&S Newsletter

Florida International University | Department Of Environmental Health & Safety | ehs@fiu.edu

Happy Valentine's Day! Today, we celebrate love and affection. This newsletter shares love with new employees and provides self-care tips. We want to know about your challenges in the working and learning environment. EH&S is hosting four in-person seminars on different campuses. Join us and share your thoughts!

In this Months Newsletter

We want to hear from you! Join us for an in-person seminar, hosted in 4 different campuses.

- CTS CTS 1st Floor Main auditorium: February 5 at 11 AM
- BBC MSB 105: February 6 at 11 AM
- MMC WC 130: February 8 at 1 PM
- EC EC 2300: February 8 at 11 AM

Lab Safety Awareness Week is February 12-16, 2024: check out our webpage for more information, challenges, and upcoming events.

Check out this fun video discussing basic laboratory safety:

Reminder! Emergency Wash unit inspections are ongoing. Keep all units easily accessible (no obstructions), report any issues, and ensure all occupants are trained on how and when to use them.

We discuss Tips for setting up and staying connected for new Lab Employees

Loving your Workspace: Ergonomic Tips.

And Caring for your Mental Health. Need to talk?
