# EH&S Newsletter

Ready, Set, Safety!

August 2024

Florida International University | Department Of Environmental Health & Safety | [ehs@fiu.edu](mailto:ehs@fiu.edu)

As we start the new academic year, our campus is buzzing with activity and new beginnings. To ensure a safe start, we have launched the Emergency Signage Program and the 2024 Lab Self-Audit (LSA) to enhance campus safety and preparedness. It's vital to stay vigilant amidst increased foot traffic and excitement. Read on to learn how you can contribute to a safer campus environment.

## In this Months Newsletter

- August's Safety Shoutout goes to the Central Reservations group! Check out his EH&S' Safety Shoutout feature on our website: <https://ehs.fiu.edu>
- The votes are in! The EH&S's Safety Slogan Winner is Nicole McFarland!  
"FIU Safety: Paws and Think Before You Act!" is on our website! Congrats Nicole!
- We still have two (2) contests open: the Safety Scavenger Hunt and the Safety Poster Contest.

It is free to join and you can win a prize! Check it out: <https://ehs.fiu.edu/resources/index.html#1>

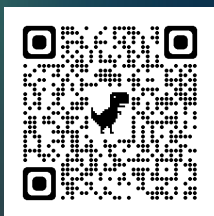

- Boost campus safety with our updated Emergency Signage Program! Learn how to ensure your space clearly communicates hazards with emergency signage to support effective responses in critical situations. Check out the webpage for all the information about the requirements and process, as well as a video that sums up everything you need to know!

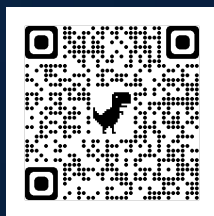

- Ensure your lab is safe and compliant with the mandatory 2024 Lab Self-Audit (LSA). Discover how this annual review helps you stay ahead of safety issues and meet regulatory standards!
  - The LSA is open for three whole months, from August 1st to October 31st.
  - Check out the website for more information, including:
    - A **determination survey** that helps you see if your space requires an LSA!
    - An **introduction video** and other **resources** to help you stay safe all year round!
