

FIU EH&S Safety Poster Contest Instructions

Design a poster that captures the essence of creating a safer environment for all. Whether it's in the lab, the classroom, the office, or anywhere on campus, show us how small actions can make a big difference in promoting safety and well-being. Your poster should inspire everyone to take ownership of safety practices and foster a culture of awareness.

Posters submitted must meet the following criteria:

1. Poster board size – 18” X 24”
2. Any media can be used. Digital prints must be printed and applied to the poster board. AI-generated images are permitted, but you cannot generate the entire poster using AI.
3. Related to FIU
4. One submission per person

Posters will be judged based on the following:

- Creativity
- Originality
- Visual presentation
- Clarity and Impact
- Relevance to the university community
- Adherence to the theme and promotion of positive behavior

How to submit:

1. MMC – drop your poster off at the Campus Support Complex, Suite 146 Monday-Friday between 8:30 AM and 5 PM with your name, email, and phone number.
2. EC, BBC, and satellite locations – please submit a clear photo of your poster with you in the photo with your name, room number, and phone number to ehs@fiu.edu . EH&S will pick up the poster from you.

Winners will be selected during the first week of July 2024. The winning safety posters will be featured in an EH&S safety showcase. Winners will also receive a prize. Good luck!
