

FIU EH&S 2024 Safety Scavenger Hunt

Hey Panthers! Use this checklist as a reference to complete the scavenger hunt. All items located and photos taken must be at an FIU campus or satellite location. Take a photo of the items you find. Anything marked with an \* requires you to be in the photo. Remember to submit the answers and photos online by going to <https://ehs.fiu.edu/> and following the 2024 National Safety Month Contest instructions to be entered in the EH&S Safety Sweepstakes. Good luck!
